

Northstar Technologies — Business Travel and Expense Policy

Fictional corporate policy | Version 1.0 | Effective 2026

Pre-Approval

Domestic travel should be approved by the reporting manager before booking. International travel requires manager and Finance approval.

Air Travel

Economy class is required for flights shorter than 6 hours. Business class may be approved for flights exceeding 8 hours.

Hotel

The standard hotel reimbursement limit is INR 8,000 per night for major Indian cities and INR 6,000 for other Indian locations, excluding applicable taxes.

Meals

Business travel meal reimbursement is limited to INR 1,200 per day for domestic travel. Alcoholic beverages are not reimbursable.

Local Transportation

Reasonable taxi, rideshare, public transportation, parking, and toll charges for business purposes are reimbursable with supporting records.

Expense Submission

Employees must submit expenses within 15 calendar days after returning from travel, including date, amount, category, business purpose, and receipt.

Non-Reimbursable

Personal shopping, traffic fines, minibar charges, personal upgrades, and expenses for family members are not reimbursable unless explicitly approved.
